VOCABULARY

1 – E 2 – C 3 – A 4 – D
5 – B

TRUE OR FALSE

1 T 2 F 3 T 4 T 5 F

LANGUAGE IN CONTEXT

1 spectacle 2 rivalry 3 host 4 legacy
5 tournament

CRITICAL THINKING · WAS IT WORTH IT?

No correct verdict — the disagreement is the lesson. The metro line usually passes easily and the empty stadium usually fails, so the argument lands on the last two rows: a debt paid by people who were children, and a memory nobody can price. Push groups to name who paid for each item, not just whether it was good. The sharpest moment is the final question — students who called the tournament worth it often would not vote yes for their own city, and that is worth asking about.

02 TEACHER GUIDE

BEFORE CLASS

AIM

Discuss why the World Cup matters beyond football and express a balanced opinion on hosting.

LENGTH

45–60 minutes.

TIP

For Was It Worth It, make groups agree on every row and name who paid — the reasons matter more than the verdict.

EXTENSION

In pairs, describe a sporting moment they will never forget.

03 DISCUSSION NOTES

GUIDE THE TALK

STUDENTS MAY MENTION

national pride · fan atmosphere · huge TV audiences · cost of stadiums · tourism · unity vs. division · commercialism

FOLLOW-UP QUESTIONS

- Does sport unite people or divide them?
- Is national pride always a good thing?
- Who really benefits when a country hosts?

ENCOURAGE THIS LANGUAGE

“On the one hand... on the other...” · “It depends on...” · “I’d argue that...”

04 MODEL WRITING

SAMPLE ANSWER

I believe hosting the World Cup can be worth the cost, but only with careful planning. A great **tournament** is more than a **spectacle**; it can fill a country with pride and give fans memories of every **rivalry** and dramatic goal.

However, the money is enormous, and the benefits are not guaranteed. A country that chooses to **host** may build stadiums that stand empty afterwards, leaving debt instead of a positive **legacy**. The key is to build things people will actually use and to include local communities. Spent wisely, the billions can improve transport and inspire young players. Spent poorly, they simply disappear. In the end, the World Cup is worth hosting only if the whole country — not just visitors — still benefits long after the final whistle.
